

What are YOU looking at?

Sophos discovers a new infected webpage every 5 seconds. Are you browsing safely?

Web-based security

threats appear and move so rapidly that traditional URL

Filtering solutions can no longer keep up. With more than 80% of infected web pages residing on legitimate, but hacked sites, you need a defense that trusts no-one. Sophos provides true proactive detection, browsing the web with you, protecting against unknown threats wherever they appear.
